**Petition Under 37 C.F.R. § 1.182 to Correct
Inventor's Name
U.S. Serial No. 10/540,563**

Attorney Docket No.: Q88775

In accordance with the requirements of MPEP § 201.03 and 37 C.F.R. § 1.182, for the reasons set forth below, Applicants respectfully submit that the name of the fourth listed inventor, "Mitsuharu TAKAGI" as listed on the International Application PCT/JP03/16359, refers to the same person and that any discrepancies between this listed name is the result of a translation error.

Specifically, Applicants submit that the first name of the fourth listed inventor (i.e., Mr. Mitsuharu TAKAGI) was erroneously translated from Japanese to English in the published International Application PCT/JP03/16359 as being "Mitsuharu." However, Applicants submit that the correct translation of the fourth listed inventor's first name is "Koji." Therefore, the fourth listed inventor's name, as listed on the Declaration submitted herewith (i.e., "Koji TAKAGI"), is correct.

Hence, Applicants submit that there has been no change of inventorship in the present application.

No amendment to the Declaration or Supplemental Declaration appears necessary, inasmuch as the information thereon is currently correct. Accordingly, the undersigned attorney, on behalf of Applicants and Assignee herein, petitions the Commissioner to accept and enter the Declaration and Power of Attorney submitted herewith. Further, recognition of the correction of the fourth inventor's name is respectfully requested.

As required by 37 C.F.R. § 1.182, a check for the statutory petition fee of \$400.00 is attached.

In addition, Applicants have submitted herewith a Supplemental Application Data Sheet reflecting the correct inventor's name in accordance with the requirements of MPEP § 605.04 (c). Thus, Applicants respectfully request that any patent or publication resulting from the instant application reflect the inventors as listed on the enclosed new application data sheet.
